Dear Cottager,

The board discussed at its last meeting an issue which has previously not been a problem; a large number of cottagers are behind in their dues. In order to encourage cottagers to pay more promptly, in the future we will be following the rule in the green book for overdue assessments starting with the August 1 assessment. The rule is "Assessment payments are due quarterly on the 1st of the month as stated on the bill. A penalty equal to 10% of any quarterly amount due is automatically charged if payment is not received within two months of the due date." For your convenience dues are payable February 1, May 1, August 1, and November 1.

Sincerely,

The Board
