

PORCHES AND VIEWS TOUR

Part II, August 4

Last weekend's tour was a great success despite the overcast weather so now it is time for Part Two of the informal **Twilight Porches and Views Tours** on Sunday August 4th.

Please remember this tour is for Twilight Cottagers and their guests. It is meant to be walking tours so no transportation is planned. ***If you must drive, please park respectfully and do not block roads or driveways.***

Look for the **gold marker balloons**, stop by, enjoy the porches and views and chat with your fellow cottagers!

Special thanks goes out to the cottagers who opened their porches and houses for Part One last weekend.

Sunday, August 4th

(1-4 p.m.)
