Issue #3, July 30-31, 2011

## HOT, HOT, HOT ON THE MOUNTAINTOP

We are at the halfway mark. That's right, summer is flying by, as it always does. We have had quite the heat wave in the past week or two. Some days reaching upwards of 100 degrees!

We have seen a lot of window fans ... and even a few air conditioners. The creeks are running low and waterfalls have moved to a trickle. Please remember to keep hydrating yourself, your children and your animals. It is recommended you drink 8 – 16 glasses of water when the temperatures reach these heights. Remember, your cats and dogs can't tell you when they need a drink.

The pool is a great place to cool off. There have been lots of folks taking advantage of our beautiful "cement pond." Please continue to do so. It is a great gathering place for friends, old and new. Don't forget the sunscreen!

## URGENT MEDICAL CARE FACILITY

A number of Twilighters have reported on the new Urgent Care Facility in Catskill. Located at 10 Grandview Avenue (next to the new Walgreen's), the facility is less than ½ hour from the mountaintop. Brenda Swords reports that Dr. Schneider, whose office is in Tannersville, set up the facility.

The Urgent Care facility is open *Monday - Friday only*, 9 a.m. - 9 p.m. Apparently, no appointment is necessary, just walk in. The phone number is 518-943-9100.

Reviews by Twilighters so far have been positive, although a few posts on the Internet speak of frustrations with insurance related issues and attention.

## Order Your Twilight Apparel & Gifts Online Today!

<http://twilightpark.propellshops.com>

**Order the same owl logo on all types of apparel and gifts in several sizes and colors. Different logo treatments available as well.**

The Twilight Park Youth Activities committee is excited to launch a new website where you can order Twilight Park apparel (t-shirts, golf shirts, sweatshirts, hoodies, etc.) and gifts (water bottles, tote bags, etc.) for your whole family. Proceeds from the sales of these items will go towards the Youth Activities Group so that we can continue to offer fun, safe, and memorable activities for the younger generations in the Park.

A word on the history of the logo:

Some of you may recognize the owl logo from a line of red Twilight Park crewneck sweatshirts in the late 1970s. We are not certain who designed this vintage logo but believe it was created in 1978 - - perhaps by Carol Donner? This sweatshirt, along with decades of old camp t-shirts, have become collectors' items that several Twilighters proudly dress their children in today, and we wanted to bring them back for everyone to enjoy.

Lizzie O'Donnell, former camp chairwoman and camp Arts & Crafts instructor designed many of the old camp t-shirts by hand in the late 1970s and throughout the 1980s. Lizzie carved

woodcuts of the designs and then hand-pressed them onto the t-shirts individually with t-shirt paint.

Lizzie's eldest son, Nick O'Donnell (now a father of two), recalls that Lizzie would often pull all-nighters to make all the shirts in time for the campers. As you know, Lizzie O'Donnell sadly passed away this year after a long and brave battle with cancer. Nick has carried on her legacy, using today's modern technology, but the same passion and dedication. He took a 1978 sweatshirt his mother had given to his daughter before she passed, and recreated the logo first by hand and then with the aid of Photoshop, and made it in several color variations on different types of gear, totaling 350 pieces, all created individually. After recently welcoming his second child in the midst of all this work, he, like his mother, pulled a few very late nights to finish this project for us.

THANK YOU LIZZIE for creating this legacy; and THANK YOU NICK for continuing it.

With that said, shop away friends!!

## THANK YOU!!!

The Twilight Park Youth Activities Committee would like to thank a number of families for their generous in-kind donation of toys, games & art supplies from our Target registry list. Items received thus far include everything from play-doh, crayons and board games, to sports equipment, DVDs and a Toy Grill! A huge thank you to the following families: Lasch/Sade, Leahey-Bennett, Marine, Meyer, Pitts, Post, Tadler/Paterson and Fletcher.

We still have many items listed on our wish list if you have an interest in donating something to the Camp Building. Go to [www.target.com](http://www.target.com) and click on "Gift Registries + Lists" in the upper right-hand corner. Select TargetLists and Search on First Name: Twilight, Last Name: Park. Items may also be purchased in-store. Thank you so much.

Note: We have received a few items without buyer names attached – if you bought something from the registry and are not on the above list, please contact Amanda Fletcher [argfletcher@yahoo.com](mailto:argfletcher@yahoo.com) so that the committee may thank you!

**Many thanks to all of our “soulful” Twilighters who are volunteering their time and talent to present our Motown Cabaret on August 6. Also, a special thanks to our generous Angels and Archangels! Our performers appreciate an enthusiastic audience, so come one and all on Saturday, August 6 to enjoy an evening of fun and fellowship!**

**Cabaret reservation forms (\$40/person) – Jacquie Elder’s mailbox.**

**Childcare reservations -- See Annie Braunstein.**

**Questions about rehearsal schedule – See Mack Elder.**

## Where are all of the signs?

**It is unfortunate that we must report that someone may be stealing from our community. Unknown person or persons have removed our street signs and some house signs. (House signs that have been around for years and years, some handmade by relatives and even campers from long ago, are missing.)**

**Missing signs make it difficult for visitors to find their way through the park and to locate houses. Not to mention the heartbreak that ensues for the rightful owners.**

**If you know where the signs have relocated, please return them to their posts and houses, or drop them off at Nathan’s house.**

**Thank you.**

### **Car Wash Success!!!**

Twilight Park now has 32 clean cars and one clean dog due to the hard work of the Teens of Twilight and Onteora who sponsored a Car Wash on Saturday, July 16. The \$500 they raised goes towards a gift for the Camp and for the Teen Activities Fund. The Teens have selected new fishing rods and fishing gear as their camp gift.

A big thanks to Robbie, Alton, Charlotte, Anna, Sky, Caroline, Zach, Katie, Kathryn, Walker, an assortment of the little ones from the camp and of course Brad Watson the Teen Coordinator. It was an exhausting (but fun) three hours!

### **Children's Drop In Dinner**

How does a dinner prepared by 42 children taste? Pretty good according to the 120 people who attended the Children's drop in dinner on Thursday July 14. A good time was had by all, including the 8 volunteer Teens who completed the clean up and dishwashing like a well-trained race team in record time. Thank you to all the Children and Teens for their contribution... and we even netted a few hundred dollars to go towards the Youth Activities & Play Group.

### **CPR Training in Twilight**

Where is the safest place on earth (outside of a hospital) to have a medical problem requiring CPR? According to some it's – yes, you guessed it ... Twilight Park! We now have 14 additional people (including 13 of our Teen Counselors) trained and certified in CPR. Yet, another example of our Youth Activities funds contributing to the community. We are very proud of all who went through the 3-hour program.

## Remembering William Walser Janeway

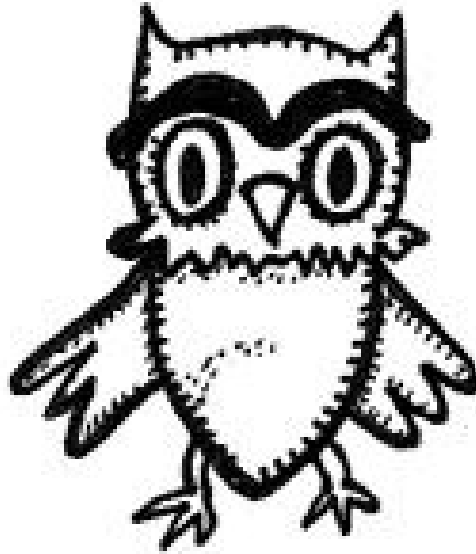

Walser Janeway, of Guilford, CT, died on February 8<sup>th</sup>, after a long battle with Parkinson's disease, just after his 94<sup>th</sup> birthday.

Walser was born February 1<sup>st</sup>, 1917 on Staten Island, NY. He was educated at South Kent School and Princeton University. He was soon inducted into the Army Air Force flight school. He flew many missions from Froggia, Italy, returning home after World War II to raise his family of four boys. They were stationed in IL, SD and TX and after 22 years, he retired from the Air Force as Captain and settled in CT where he was employed at Pratt & Whitney Aircraft.

Walser is survived by his wife of 68 years, Ann Janeway of Guilford, CT, his brother Randolph, his sons, Whitney, Richard, and John, nine grandchildren and six great-grandchildren remain as well as many nieces and nephews from coast to coast. His sister Carol and his son Frederick predeceased him.

Walser was a fixture in Twilight Park. His annual dive off of the diving board delighted crowds each summer. He will be greatly missed.

A time of remembrance and celebration is being planned in August.
