Ariana Tadler Paterson and Penelope Tadler, Editors

2012 Season: Issue 3, August 3-5, 2012

## TWILIGHT WELCOMES AUGUST SUMMER DAYS

It's hard to believe, but, yes, August is here! How time flies, when we are all having fun! It is true that as July closes, some of our Twilight friends will be returning home to work and that other life in which we all partake throughout the rest of the year. Thankfully, July proved to be very fulfilling with loads of activities for all.

And don't despair - we have a whole month ahead to enjoy life on the Mountain Top! In fact, with the new month, come old and new friends who are just beginning their summer vacations and visits. Of course, we have our resident Twilighters; and we have a bunch of families joining us as renters (see details inside!). Please extend a warm welcome to all as we begin the month of August.

We also hope that all will take advantage of the many special things that the Catskill Mountains have to offer. Whether you like to hike, swim, fish, golf, walk, run, play tennis, read, nap, or just, well, loll, you can do it all while in and around Twilight. We hope that you make this your best August yet!

Enjoy!  
Ariana and Penny

## **2<sup>ND</sup> ANNUAL YOUTH ACTIVITIES DINNER SHOW A GREAT SUCCESS!**

Thank you to all who came to support the Youth Activities group by attending the show on Saturday July 21st and/or buying raffle tickets. It was a fun and memorable evening!

The kids were proud to show off the songs and dances that they had worked so hard rehearsing. The performance started with a group of 7-12 year olds wowing the audience with a great hip-hop dance they learned from their instructor at the Hunter Academy of Dance and Creative Arts. Next, a group of 7-12 year olds performed a ballet routine choreographed by our very own Anna Zabel. Then the 7-12 year olds performed a rendition of the popular song "I'm Yours" by Jason Mraz with counselor Alton Siousatt on the ukulele. Then it was the 3-6 year olds' turn to impress with a cute song and dance routine choreographed by the Academy of Dance and Creative Arts. The performance was adorable; let's just say that the "wave" is a very tricky move for little kids! The entire camp then sang the "Moose Song" a funny repeat-after-me camp song led by Jake Maurer.

The show closed with the entire camp singing the catchy song "Twilight Park" which was written by our very own CITs (counselors in training). It was very moving to hear the children sing about Twilight Park building a community and bringing people together; that's what the camp and the Park are all about!

Thank you to M.J. Meherg and all the counselors and C.I.T.'s who helped with the rehearsals and final performance; it was a wonderful show!

Following the children's performance, a group of mothers known as the "Zumba Moms," along with a few of the counselors and friends, got on stage to perform a Zumba routine to the song "I Think We're Alone Now" - a nod to the wonderful feeling the moms have when they drop their little ones off at camp each morning!

After the musical performances, everyone enjoyed a delicious meal prepared by Chris Douglass. Chris and his team served whole grilled striped sea bass and whole grilled bluefish – both were sights to see and so

fresh and tasty - several people went back for more! The hard-working team also served pulled pork sandwiches, macaroni & cheese, grilled corn and green bean salad, farm salad with tomatoes, and watermelon, feta & mint salad – it was a true summer feast that received rave reviews! Finishing off the meal was a delicious peach and blueberry cobbler.

Thank you to Chris Douglass and your crew for this fantastic meal!

Once everyone finished eating it was time to award raffle prizes and conduct a live auction. Thank you to our generous donors for the following raffle items: pair of Rangers tickets (Brit & Melina Fisher), \$100 Gift certificates to Brie & Bordeaux, Last Chance Cheese, and Curran's (Rob & Kim Meyer), Kindle with an owl laminated cover (Jay & Megan Marine), gift basket of owl-themed office supplies (Jonathan & Amanda Fletcher), gift basket of owl-themed baby gifts (Jonathon & Amanda Fletcher, baby quilt donated by Brian & Amy Flynn), Owl rubber rain boots and matching owl umbrella (Pete & Mel Bennett), and basket of vintage candy (Last Chance Restaurant). Thanks to these generous donations we were able to raise over \$1,200 in raffle tickets alone! There are still several hand-painted rocks available for \$10. These beautiful rocks painted with owls or other mountain scenery make great door stoppers – a must-have in many of the older homes with doors that have a mind of their own.

Thanks also goes to Danny Maurer who served as surprise emcee for the live auction and raffle drawing portion of the evening – unbeknownst to Danny, he had been selected for this position! But of course, Danny pulled it off as only Danny can, and had the room in hysterics. He did a great job encouraging a bidding war between Sarah Killough-Dhar and his wife Jannine for the beautiful table hand-painted by the campers with the help of Gracia Dayton. Thank you Gracia for working on this project, you helped raise another \$625 thanks to Sarah's winning bid!

And thank you to our set-up crew: Laura Henson, Sarah Post, Jim & Elda Martocci, Joanne Ainsworth, Anne Mack, and of course Nathan's crew. It really does take a village to put on these events.

All in all it was a fantastic evening – great entertainment, delicious food, and a lot of money raised! Your support helps us continue to provide fun, safe activities for the youth of Twilight Park!

## OPPORTUNITY TO OWN RARE CATSKILL MOUNTAIN HOUSE PLATE!

Attention all Twilighters and lovers of Mountaintop history! We have an exciting opportunity for you to own an extremely rare and valuable Catskill Mountain House plate - and help support a good cause while you are at it!

This unique plate is very hard to find; it is a beautiful blue color featuring the iconic Catskill Mountain House in the center and surrounded by images of different cats circling the border of the plate (see photo above). You may have seen some collectors proudly display their treasured red Catskill Mountain plate in their home, but this blue plate is especially rare and distinct. You will not want to let this opportunity pass you by!

Thank you to Colin & Anne Mack for their incredible generosity. Anne purchased this plate at an auction in Florida and graciously offered to donate it to the Twilight Park Youth Activities group. The proceeds from this sale will help the group pay for continued improvements to its popular programming.

By now you are probably wondering, "How can I get my hands on this plate?!" Because this plate has an extremely high value, especially among the Twilight community, we have decided to sell it through a "sealed bid" process. If you are interested in owning this beautiful piece of history, please email Megan (Ainsworth) Marine directly at megainsworth@yahoo.com (note this is spelled like Meg Ainsworth, not Megan Ainsworth, a common mistake) by 5:00pm EST Friday August 15 with your one and only bid (i.e., your highest bid). Megan will confirm via email when she receives your bid - so if you do not hear back from her, assume that the email did not go through. You can also call Megan at 206-778-1781 if you have email trouble, but she will need a written bid.

The person with the highest bid wins the plate! Minimum bid is \$500.

Remember, proceeds go towards the Twilight Park Youth Activities, so not only are you acquiring a valuable work of art with local and historical significance, but you are also investing in the future of the Park!

Good luck, and start your bidding!

-The Twilight Park Youth Activities Group

## Pool Reminders

### ❖ SNACKS:

Snacks at the pool are available for PURCHASE. If you wish to enjoy a beverage or treat available from the snack bar, *please be sure to pay for it at the time of selection*. To avoid finding yourself short on funds, as you likely may not have waterproof pockets, please "fund" an account in your name by submitting a sum of \$ (e.g., \$10 or \$20) and filling out a card in the box on which you can keep a running tally. Please do not assume that you will pay up your account later or at the end of the summer – those who purchase the goodies need the funds to purchase new goodies for all of us to enjoy.

### PLEASE BE MINDFUL OF OUR WATER SUPPLY!!!

Although we have finally been blessed with some rain, please be mindful of the water supply. When there has been little rain, it is critical that we all play our part to help manage our water supply – SO when water is low, please:

- NO watering of gardens
- Run only full loads in washing machines and dishwashers
- If you will be leaving the park for an extended period of time, please consider closing the outside shutoff to avoid any potential leaks.

It's also a good idea to fix any leaks, including any leaking/running toilets.

## PLEASE OBEY THE SPEED LIMIT

Twigharters, young and old, are accustomed to peaceful walks throughout the Park – sometimes with pets in tow... Take the time, and slow down please.

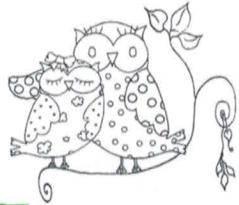

It's a Twilight perk!

If you have any questions, please call Nathan.

## INFO FOR DELIVERIES

Deliveries to Twigharters residing in the Park should be addressed to your Twilight Park street address (e.g., House # Ledge End Road, Twilight Park, Haines Falls, NY 12436).
