

2012 Twilight Park Youth Programs

Our Mission is to provide a safe, nurturing, fun and learning environment for the children of the Tri Parks (Twilight Onteora & Elka) that helps build a love and appreciation for our community and its heritage.

We support **Twilight** *Park Youth Program* expenditures thru collection of participation fees and fund raising and the Twilight Park Cottagers (and the Board) help provide facilities / equipment, adult volunteers and encouragement.

The CIT's are lead by an adult CIT Leader with experience with these programs in camp settings. This program is not only for Campers who have grown up through the ranks of summer camp and want to learn more about what it takes to be a great Counselor it is also for the young teen who wants to make a community contribution while having fun and developing skills they can use in high school and life

 - o Learn Basic first aid, pool safety skills and CPR
 - o Enjoy fun activities & social events with other CIT's
 - o Have hands-on experience working with our younger campers and or community projects
 - o Assist staff with the arts & crafts, tennis, swim, theater and or nature programs
 - Design, plan, and execute your own children's program or community service project with your fellow CIT's

- Qualifications All CIT's and Junior Counselors must live in one of the Tri Parks (or children of Park Staff) complete an application, provide two references, and submit working papers. They must be available during one of the training periods and agree to participate for at least 2 weeks.
 - o **Junior CITs** are volunteers and are usually 13 or 14 year old or a 15 year old with limited experience working with children in a camp or daycare environment. Mature 12 ½ year olds will be considered for the program after participating as a camper in our Youth Program.
 - Senior CITs are 15 or 16 year olds that have at least one successful summer season of CIT camp experience. These Teens can earn a small hourly salary for their work with the fee based Play Groups.
- **Donations**: We ask that Parents help us cover our staff and overhead costs involved in maintaining the CIT program by providing a \$100 per week donation. We recommend a maximum of \$300 for the Senior CIT's. Potentially there may be additional optional special programs or training fees. Special considerations for multiple Teen CIT families.
